The Private Secretary
Major General Basilio J. Valdez
Malacañan, Manila

Sir:

I am asking your kindness to please let Major General Valdez go over the attached draft of a portion of my manuscript pertaining to notable Foreign Decorations given to Filipinos. As much as possible, I would like to make no mistake at all about my data.

This letter is being delivered personally by my brother, whom I will also sent to you after a few days to get it back if Major General Valdez has already read it.

Very respectfully,

Adeudato J. Agbayani
